May 2025

The Trestle Board is your monthly newsletter brought to you by the Brothers of Winter Park Lodge No. 239. Stated Communications are the 2nd and 4th Tuesdays of every month. Refreshment at 6:30 p.m. Meeting at 7:30 p.m. 1495 Grand Road, Winter Park, Florida 32789. Phone 407-679-6800 for more information.

Greetings from the East Brethren!

Man wasn't April great? On a personal note, we celebrated my son's 18th birthday on the 1st. Wow time flies! Just like this year. We've had an EA degree and just last Month in April 2, count them 2, FC degrees! We are tasked with making Masons and at Winter park, while we do value quality over quantity, we definitely take that charge seriously. But guess what? Now its May! And that means Grand Communication is coming! May 25th-28th. I hope to see as many Winter Park Brothers there as can make it, it's going to be another amazing year!

We won the Traveling Sword last year, I definitely think we should go ahead and hang onto that. And of course, that means we will be Dark our second meeting in May on the 27th. So, if you'd like to hear the Legislation and give your thoughts on I make sure to attend the meeting on May 13th. But we don't put the whole Lodge on pause for Grand Communication do we? Oh no! Lots to do around here. Masters and Wardens this month is combined with the 15th District and will include a number of important visitors and presentations at Winter Garden 165 on Sat May 3rd. And of course lets not forget the DDGM Homecoming for Patrick Uppole on May 10 from 6-9 at Ormazd Grotto. Tickets are still available for free on EventBrite. And we are keeping the month fun with our Lodge game night on May 16th. 1.5 years and still well attended and, simply said, fun! Open Books this month has been moved to May 17th as well so there's your learning for the month. After that we have ritual practice on May 20th. I do believe we are gonna start practicing for our 1st Master Mason degree since last year. Let's do this! Then a nice chill period for a few days till we see each other at Grand Communication for another amazing close to the Masonic year. I'm definitely looking forward to it like I do every year. A chance to meet brothers from all over the State, why wouldn't you? A busy Lodge is DEFINITELY a happy Lodge.

Look well to the East Brethren

Brethren,

Wow—time truly feels like it's flying by in fast forward motion! Here we are in May already, and I can't help but reflect on how fortunate we are as a Lodge. The energy in the air, the sense of purpose in our meetings, and the warmth in our fellowship—it all comes together thanks to the collective effort of each one of you.

Whether you're part of the officer line or simply a brother lending a hand or sharing a kind word, your contribution is what keeps Winter Park Lodge moving forward with vibrant, family-friendly energy. It's heartening to see the South filled not only with brothers, but with their families, friends, and loved ones—all of whom help make our Lodge feel like a true home.

A special note of appreciation goes out to W. Halter and W. Seavers, who work quietly but diligently behind the scenes year after year. Their dedication in the Secretary and Treasurer offices ensures everything flows smoothly. The Lodge is blessed to have such steadfast brothers holding it all together so seamlessly.

This month, don't miss our always-fun Game Board Night—a laid-back evening full of snacks, laughter, and connection. Whether you're here to play, chat, eat, or all of the above, it's a perfect chance to unwind and share in brotherhood.

Also, we're gearing up for an upcoming Master Mason Degree, and we'd love to see brothers take part! Whether you want to polish your ritual, learn a new part, or simply be involved in this special moment, don't hesitate to reach out.

Let's keep pushing forward together, brothers. Every effort, no matter how small, helps build something greater. So come out, plug in, and let's continue making our Lodge a shining example of what happens when good men do great things—together.

Fraternally,
Bro. Juan Carrero
Senior Warden

Greetings from the South My Brothers,

I hope this month's Trestle Board finds you happy, healthy and in good spirits. I want to take this opportunity to thank my Senior and Junior Stewards (Br Williams and Br Fornea) who have been a tremendous help and to the SW Br. Carrero. All of whom have stepped up and assisted in the kitchen, providing meals for meetings and Degrees when other duties kept me at a Cable tow's length.

As the guardian of the South, my role extends beyond just providing meals—it's been about witnessing the fellowship that flourishes when we come together. Seeing how each of you interact and assist others is what makes our lodge strong and strengthens our bond as Masons.

For the meeting this month, our own JS Br. Fornea has expressed a desire to step into the role of Junior Warden by providing the meal, and for that, I am grateful. Remember, we are Dark for the 2nd meeting due to Grand Communication. We will be there providing breakfast and lunch for OPEN BOOKS on May 17 and hope to see you all there. Your continued support and involvement are invaluable as we journey together..

Brothers, I am in the process of cleaning out and reorganizing the kitchen Dry Storage. If there are any items that you have stored there, please see me to see about the viability of keeping it there. If there are expired food items or improperly stored food items, I am disposing of them. On that note, if you keep something in the refrigerator, be sure to take it home, label it or take care of it. There are items in the Refrigerator that have expired that have sat there for months. This process will stop effective now. I will be regularly checking expiration dates on items, looking for spoilage or compromised items and disposing them on a regular basis. Thank you for your attention in this matter and your diligence in helping to keep the lodge clean and healthy.

Please do not hesitate to reach out to me if there's anything I can assist you with

See you at the next meal!

Fraternally, and with spatula in hand
Marc Spittler

My Brothers,

Here we are entering May. I cannot believe that four months have already gone by.

As mentioned in last month's Trestleboard, our next lodge obligation is to do our annual filing with the Department of Agriculture. We submitted our annual filing and received our compliance on April 4th. As stated before this allows the lodge to perform fundraisers.

I have been in continuous communication with our current insurance company. Our annual insurance premium is due in June. Our policy expires on June 7th. If the Brothers recall from the annual budget, the insurance premium is lodge's largest annual expense. We have also reached out to two additional insurance companies to see if we can get a lower premium. More to follow.

If you have any questions associated with the lodge financials, please contact me at treasurer@winterparklodge.org

In April, the US Postal Service announced that the price of a First-Class Forever stamp would be increasing from \$0.73 to \$0.78. You may be asking why I'm telling you this. I'm mentioning this because we are rapidly approaching \$1 per piece of mail. This is important because we currently have over 70 Brothers who have not yet paid their 2025 Dues that were due last December. Any Brothers that have not paid by the end of June will be receiving a Notice of Delinquent Dues via First-Class mail as required by the Digest.

So you can help us save money on postage by paying your dues before June 30th! Dues can be paid online via the lodge website.

As previously mentioned, the annual Grand Communication will once again be held Memorial Day weekend this year. The pre-registration forms have already been sent to Grand Lodge, so it is too late to pre-register, but if you are planning to attend, you can still beat the craziness Monday morning by checking in Sunday afternoon. You will need your 2025 Dues Card, so if you have paid and have not yet received your card, please let me know as soon as possible.

Congratulations to our Brothers who have recently been initiated and passed. Last year, our lodge had the fewest degrees that we've had in a long time. This year, we are on track to initiate at least a half dozen candidates. We also have a couple of Brothers who were initiated at other lodges that are transferring to Winter Park Lodge and will be finishing their journey as members of our lodge. We also may be conferring degrees as a courtesy for a Brother who is a member of the Grand Lodge of California. We do have petitions that should be ready for investigation and balloting, so don't be surprised when the W:M.: asks for volunteers at the upcoming meeting. It is our responsibility to the lodge and these candidates to give them a timely investigation so that their petition can proceed to ballot. Since the lodge has voted to go Dark for our second Stated Meeting in May (May 27th), any petitions that can be received at our first meeting this month will have all of May for the investigation so that we can ballot on them in June. This also means the Sr Deacon and Wardens will be looking for Degree teams for these candidates and Brothers. Let's make sure these degrees are the best possible degrees. Last but not least, don't forget the annual St John's Day Breakfast on June 28th. Make sure you add this to your calendar!

Fraternally,
John Halter, PM
Secretary

Building Committee

My Brothers,

I would like to continue to thank all Brothers and Appended bodies for utilizing the newly created Building Committee e-mail for requesting the lodge for use, as well as bringing any facility issues to our attention. This helps with documenting any request and supports what we put onto the lodge calendar.

Reminder that for Building Usage requests, the Building Committee respectively request a 30-45 days advance notice.

We are currently getting additional quotes for a company to perform a maintenance service on our lift station. The committee wants to ensure that we get reasonable pricing for the service. More to follow.

We have reached out to Action Church to update our agreement for their usage of our parking lot. Once the meeting is set up and occurs, we will let the craft know of our discussions.

Also, the building committee is in the process of updating our agreements with the three appended bodies that use our lodge. This is formality and to ensure that the agreements stay up to date.

The Lodge Rental Agreement forms have recently been updated and will be put on the Lodge Website.

The address for the building committee is building239@winterparklodge.org.

If you have any questions associated with the lodge building, please contact me at building239@winterparklodge.org.

In the event of an emergency, please call or text my cell phone at (407) 375-6243.

In 2010 R.W. H. Glen Avery challenged each of us to contribute to the building fund each year on our birthday. This gift was to represent one dollar for each year of the birthday you are celebrating. Every dollar of your gift will be put into the building fund for use in managing our facilities and helping us to keep it in the pristine condition we have all come to appreciate. You can make your donation by check or credit card. Please see the Secretary or Treasurer for more information.

Charity of the Quarter

The Charity of the Quarter at Winter Park No. 239 will be Second Harvest Food Bank Of Central Florida. We will focus on raising awareness of this program and collecting donations for families in need. While this organization is supported by federal funds, they are never enough to meet the high demand, so we invite you to join their cause.

MASONIC EDUCATION

From the desk of MW Bill Thomas, PGM GLNY wjthomasnyc@gmail.com

What's Wrong With My Lodge?

Freemasonry is built on tradition, but when does honoring the past hinder growth?

If meetings feel repetitive, attendance declines, and younger Masons seem disengaged, it may be time to ask whether the lodge is evolving or simply going through the motions. One sign of stagnation is leadership that never changes. When the same Brothers rotate through the officer chairs year after year, new leaders may be unable to step forward.

Meetings that feel routine and uninspiring can also be an issue. If gatherings consist only of reading minutes and paying bills, with little focus on education or fellowship, they risk becoming an obligation rather than something meaningful.

Resistance to new ideas is another red flag. If suggestions for improvement are dismissed, "That's not how we do things," It signals an unwillingness to adapt.

A lodge that isolates itself from the community or rarely organizes events beyond its stated meetings may also struggle to stay relevant.

Most importantly, if younger Masons do not return after being raised, it likely means they are not finding what they sought: mentorship, wisdom, and true fraternity.

Revitalizing a lodge does not mean abandoning tradition, but it requires a willingness to grow. Encouraging new leadership, incorporating Masonic education into meetings, and creating opportunities for all members to participate can help restore energy and purpose.

A lodge that engages with the community and listens to its members will always remain strong. A lodge that clings to the past without embracing the future risks fading into obscurity.

Freemasonry has endured for centuries because men of vision dared to refine and renew it while preserving its core values. The strength of any lodge lies not just in its traditions, but in its ability to inspire, educate, and engage each generation.

The future is ours to shape, but will we rise to the challenge? I'll leave you to it.
