February 2026

The Trestle Board is your monthly newsletter brought to you by the Brothers of Winter Park Lodge No. 239. Stated Communications are the 2nd and 4th Tuesdays of every month. Refreshment at 6:30 p.m. Meeting at 7:30 p.m. 1495 Grand Road, Winter Park, Florida 32789. Phone 407-679-6800 for more information.

My Brothers,

As we step into February, it's worth pausing for a moment to reflect on a strong and meaningful start to the year. **January's installation season** across the Proud 16th Masonic District was truly uplifting. Having the opportunity to attend each installation—and to see so many Brothers from Winter Park Lodge traveling, connecting, and sharing fellowship—was a powerful reminder that **Masonry reaches far beyond the walls of our own Lodge**. The bonds we form grow stronger every time we show up for one another.

On **January 17th and 18th**, our Lodge proudly hosted a tent at the **Scottish Highland Games**. Several of our Brothers stepped up to engage with the public, hand out materials, and share who we are and what we stand for. Well done to **Bro. Eric LeGrow and Bro. Joshua Williams**, and to all who supported this effort—it was a great example of Masonry in action.

Both stated meetings in January went exactly as hoped, with strong attendance, thoughtful participation, and very positive feedback. The level of engagement continues to reinforce that we are building something meaningful together.

Looking ahead to February, we will continue fostering **thought-provoking Masonic Education**, focusing on conversational formats—dialogue, syllogism, and shared reflection. Through the **sum of all perspectives and insights**, we move closer to understanding truth, one conversation at a time.

Masters & Wardens will take place on **February 7th at Bahia Shrine**, hosted by **Orange Lodge No. 36**. I hope to see many of you traveling with me.

Additionally, **Open Books** is scheduled for February 28th right here at **Winter Park Lodge No. 239**. This will be another excellent opportunity for fellowship, learning, and meaningful discussion.

This month also marks the beginning of my travels throughout the Lodges of our District. If January taught us anything, it's this: **Travel matters. Presence matters. Connection matters.**

So let's keep moving, see you around!

Travel. Travel. Travel.

Fraternally,

Juan Carrero,

Worshipful Master

Dear Brethren,

February is upon us, and we begin the month with strong momentum—hitting the ground running with the Master and Wardens Meeting, degree practices, and meaningful brotherhood events.

We were proud to represent **Winter Park Lodge No. 239** at the **47th Annual Scottish Highland Games**. My sincere thanks to all the brothers who participated and supported our presence. Despite the chilly weather, the camaraderie and fellowship on display were a wonderful reflection of our Craft.

Looking ahead, we are preparing for an upcoming **Entered Apprentice Degree**. While an official date has not yet been set, please stay tuned for further details. This will be an excellent opportunity to witness the progress of our brothers and to reflect upon the values that unite us. For those who have not visited the lodge recently, I encourage you to come out and see firsthand how our lodge continues to thrive and grow.

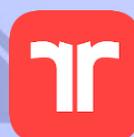

This month also offers several opportunities to strengthen our bonds, expand our knowledge, and deepen our brotherhood. On **February 7**, Masters and Wardens will be hosted by **Orange Lodge No. 36** at the **Bahia Shrine**, beginning at **9:00 AM**. Let's make every effort to have a strong showing from our lodge—it is always a rewarding experience to connect with brothers from across the district.

Additionally, **Open Books** will be held on **February 28** here at Winter Park No. 239, complete with a **Pancake Breakfast**. **School of Instruction** will immediately follow at **12:30 PM**, where the opening and closing of the Lodge will be covered.

As always, if there is anything the officers can do to assist you, please do not hesitate to reach out. Let us make February another memorable chapter in what is shaping up to be a great year.

Fraternally,

Bro. Marc M. Spittler
Senior Warden

Greetings from the South, My Brothers,

January is behind us, and I'm happy to say the year is off to a strong start in both fellowship and food. Our first meal featured herb-roasted chicken with lemon pepper potatoes, accompanied by Caesar and garden salads, and I appreciate all the kind words and helping hands that made it a success.

Our second January meeting saw us bring the comfort of food and fellowship to the over 60 Brothers and guests in attendance. We filled the table with lasagna, garlic bread, and a full salad bar — a perfect meal to share before our labors.

Looking ahead to February, I'm especially excited for our first meeting, where Brother Lightfoot will be providing Cajun gumbo. Sharing meals prepared by Brothers is one of the simplest and best ways we strengthen our bonds, and I look forward to continuing that tradition.

As always, my thanks go out to the Stewards and to every Brother who steps into the kitchen or stays to help with cleanup. Your support truly makes the difference. I look forward to breaking bread together and seeing you all in Lodge.

Fraternally,

Eric Hudson LeGrow

Treasurer

My Brothers,

Happy New Year!!

I want to thank the Brothers of Winter Park Masonic Lodge No. 239 for electing me as Treasurer for a fourth year. It is an honor and privilege to serve the Craft. I look forward to another great year and continuing to serve. If we have not met, I will make every effort to meet you.

I want to thank the craft for approving the 2026 Budget for the Operating Fund, Building Fund and Charity Fund. I feel confident that these budgets will lead to a successful financial year.

I would like to inform the craft that the 2025 financial records have been reviewed and found to be accurate, and all monies are accounted for and aligned in the proper accounts. I would like to thank W:M: Juan Carrero, R:H: Alex Darwich, Bro. Marc Spittler, and Bro. Eric LeGrow for performing the 2025 audit.

We as a craft also approved the 2026 Lodge Investment Policy.

The goals for the month of February is:

- 1) Continue working on the next steps of finding a financial institution to help manage our two investments accounts.
- 2) Provide the 2025 Financial Records to the Lodge CPA to begin the 990 Taxes.

If you have any questions associated with the lodge financials, please contact me at treasurer@winterparklodge.org.

Greg Seavers, PM

The year is off to a great start. We've had our first two meetings of the year, balloted on our first new members, and hit the ground running with the Facebook Marketing Program. As I was thinking about what to discuss this month, I thought about all these things, along with the multiple people that have started reaching out via email and our website to inquire about either becoming Masons or moving their membership to our Lodge. This is the first step to growing our Lodge and getting back to where we were when I joined. The second step in that process involves having Brothers who are willing to assist with talking to these prospects as they go through the petition process and helping with the investigations to make sure we are guarding the West gate and only allowing the best candidates to join our Lodge. Once we get through the balloting process, we will need Brothers to assist with the degrees and mentoring the new members. I understand that we are all busy, but if even if you are not able to attend our stated meetings each month, hopefully you could free up an hour or two to assist with an investigation or participate in a degree. It seems like every time we get a petition, it's the same Brothers being asked to conduct the investigations. If you live in the Central Florida area and don't regularly attend, consider volunteering to assist with either degree work or investigations. You can email me which you would like to help with and I will pass that along to the appropriate committees.

The Worshipful Master has reinstated sending birthday cards for our members. The cards for January were mailed out after our first meeting to give the Brothers present a chance to sign them all. Going forward, I'm hoping to have the cards laid out at our second meeting of each month to be signed and then I can mail them early the following month. If you don't get a card, chances are we don't have your current mailing address. Please remember to let us know if your phone/email/ mailing address has changed. We have lost several brothers to suspension over the years because they failed to let us know their mailing address had changed and we had no way to contact them. Tracking down missing members is a difficult and sometimes impossible task. It also tends to make your Secretary cranky.

Speaking of suspensions, the notice of losses was sent to the Lodges of our District as well as the appendant bodies, notifying them of Brothers that have been suspended for Non-Payment of Dues, as well as deceased/dimit/resignation. If a Brother is having difficulty paying his dues, he should never hesitate to inform his Lodge so they can help protect his membership. If this applies to you, please contact the W:M: or myself as soon as possible. Don't wait until the last minute or until we've sent out the late notices. Along those lines, if you know of a Brother in our Lodge that needs assistance, either financial or maybe they need help around the house or with yard work or with a ride to allow them to attend meetings, please let us know.

Fraternally,
John Halter, PM
Secretary

My Brothers,

Happy New Year!!

I am honored to be appointed for the second year as the Chairman of the Lodge Property Committee.

I would like to continue to thank all Brothers and Appended bodies for utilizing the Building Committee e-mail for requesting the lodge for use, as well as bringing any facility issues to our attention. This helps with documenting any request and supports what we put onto the lodge calendar. I continue to request all Brothers and Appended Bodies to use the email address and not request lodge usage via phone call or text. Reminder that for Building Usage requests, the Building Committee respectfully request a 30-45 days advance notice.

The address for the building committee is building239@winterparklodge.org

We have completed the lodge calendar for 2026 and is updated accordingly on the lodge website calendar. If you have any requests for dates, please contact me via the above e-mail address.

We have several goals for the month of February.

- o Provide the draft agreement to Action Church and begin finalizing /negotiations.
- o Sign the usage agreement with the Scottish Rite.
- o Finalize drafting the updates to our agreement with LOS. This is formality and to ensure that the agreements stay up to date.
- o Procure and install the new budget approved water fountain.

If you have any questions or would like to support these goals, please reach out to me.

If you have any questions associated with the lodge building, please contact me at building239@winterparklodge.org.

In the event of an emergency, please call or text my cell phone at (407) 375-6243.

In 2010 R.W.: H. Glen Avery challenged each of us to contribute to the building fund each year on our birthday. This gift was to represent one dollar for each year of the birthday you are celebrating. Every dollar of your gift will be put into the building fund for use in managing our facilities and helping us to keep it in the pristine condition we have all come to appreciate. You can make your donation by check or credit card. Please see the Secretary or Treasurer for more information.

MASONIC EDUCATION

Not Every Man Should Be A Mason

Some men are just after “secrets,” not Light. Before you hand them a petition, or worse, your recommendation, watch for these warning signs:

1. They think it’s a secret club.

If “mystery and power” are what they’re after, they’ll be disappointed by minutes, dues, and dishwashing duties.

2. They expect instant enlightenment.

Freemasonry isn’t Hogwarts. It’s patience, participation, and personal work.

3. They can’t keep a schedule.

If they can’t make time for meetings, degrees, or service, the Lodge will become just another forgotten commitment.

4. They’re hooked on conspiracy videos.

Those obsessed with “Illuminati secrets” crave attention, not illumination.

5. They think it’s a business network.

Masonry isn’t LinkedIn with aprons. Brotherhood is the reward, not the return.

6. They gossip about others.

If they talk about brethren before they talk with them, they’ll poison harmony.

7. They treat ritual as performance.

Rituals are sacred lessons, not theater for applause.

8. They’re chasing titles.

Rank means nothing if the character underneath is unpolished.

9. They bring politics or religion into Lodge.

That’s how division begins. Masonry unites what the world divides.

10. They say, “I already know what it’s about.”

If they’ve stopped seeking Light before even knocking, they’re not ready to enter.
